

L's

Nemzzz

Yo

All my L's, they come with a V
Ayy, yo, she on that, "Fuck my ex"
Got on Sexyy Red in the V
Know she'll get in her feelings if I put on some R&B
If I put on that Jhené Aiko

I was broke thinking about Heathrow
When I take a flight, don't post
Gotta 444 on her, +44 on the contact
So many parties missed, now I can sip my cognac
Can't talk on me, I done made more than you and I still try top
that
I find it hard to maneuver, I'm on the M-way chasing dough
My heart can't be on my sleeve unless it comes after Chrome
She wanna talk 'bout when am I home
I'll let you know when I'm back
Better than who? Better than me? Gotta be smoking crack

Ayy, yo, all my L's they come with a V
Ayy, yo, she on that, "Fuck my ex"
Got on Sexyy Red in the V
Know she'll get in her feelings if I put on some R&B
If I put on that Jhené Aiko

Yo, I need some brain, like, bae, "Let me see how you thinking"
Me, I was sat there broke like you, seeing the clock just ticki
ng
I'm kinda bait, try be on low but they got a lot to say
Me I don't care about the opinions or the rumours made
I don't wanna hit right now, I'm drained, and I still gotta mak
e this play
And, if bro don't feel your vibe, won't be me to ruin your day
Females catting for me, moretime, don't even know my name
All they know is I'm making P, and they know I don't pick up th
e phone

Ayy, yo, all my L's they come with a V
Ayy, yo, she on that, "Fuck my ex"
Got on Sexyy Red in the V
Know she'll get in her feelings if I put on some R&B
If I put on that Jhené Aiko
