

OMG

Nemzzz

OMG, stop the music
Hey, where's Rolo?

Yo
DND gotta move it mad
Drip, drip, splash
Turn around, make it clap
Sweet, sweet, teasing me? Sad
Cover that Fifa yute, pardon me
G, I ain't your dad

Do what I say, Alexa
Got that goose on me, no 'pressor
Cannot fail, top finnesser
This one loud, Staples Center
Feel neglect, need some head, demon time, wanna receive
Why would I waste my time and chase
Wait my turn, it'll come to me
So-so-so focused on beef
Donor ain't even got no P (yo)
Said gyal movin' loose, all this [?] is scarin' me
Ain't-ain't just me, need TLC
Unfortunately, ain't honest to me
A million pound ain't what is seems
Believe in me, I'll make you see (Yo, ay)
Layin' low, got feds on me
Don't be dumb, I fled the scene
Better than who? What do you mean?
Sippin' rum right now, I'm burst
Way too lost, go to church
Way too leng, got her a bag
Should know me, I ain't check no tag
Should know me, I don't even brag
Don't even bust that joke, won't laugh
Chasin' gyal? My g you're daff, sad, mad, damn
I'm out of breath, I made of this
Rest in peace to Queen Eliz'
Them man hatin', they ain't shit
Paid in full, no fifty split
Paid-paid in full, no fifty split

DND gotta move it mad
Drip, drip, splash
Turn around, make it clap
Sweet, sweet, teasing me? Sad
Cover that Fifa yute, pardon me
G, I ain't your dad

Some say I'm a different gravy
Say I'm a cheeky guy
I feel like everyone's watching me
Barely catch me on IG live
Gotta move sharp, rambo knife
Tryna flex on social media, ain't got that shit in real life
Livin' a lie, should get fined
Blue ten bags on my fit, went home like that was light
Most men can't [?] getting banged, so they ain't tryna have no fights

Ain't got sauce, invest in Heinz
I'm tryna get top while I'm in this ride
No convertible, meet me at the terminal

DND gotta move it mad
Drip, drip, splash
Turn around, make it clap
Sweet, sweet, teasing me? Sad
Cover that Fifa yute, pardon me
G, I ain't your dad
