

Us vs Them

Nemzzz

Ayy

Fuck that girl you're chasing, that's a waste of time
Yo, fuck that, tired of waiting, just do him on sight
Too much ties, so much ties, I can get you slimed
Balenciaga head to toe, but I'm not a fashion guy
So much Chrome on me, the top came oversized
So much Chrome on me, the top came oversized

Are you for me? Me, I don't know, I had to let them go
Try hide that hate from me, but that envy still gonna show
I can vouch bro, been in the T, he had fiends lined up on the road
Found me a sweet one, before that, it was bros over hoes
Didn't sleep till I got man down and turned man's day right upside down
I thought he'd sing like James, but fed thought that I was servin' brown
I don't want no love, a matter of time until they give me the crown
And by then, I'll be gone, I'll be out of town

Fuck that girl you're chasing, that's a waste of time
Yo, fuck that, tired of waiting, just do him on sight
Too much ties, so much ties, I can get you slimed
Balenciaga head to toe, but I'm not a fashion guy
So much Chrome on me, the top came oversized
So much Chrome on me, the top came oversized

This here gonna hurt feelings
A&E way more than a beatin'
Heart gone cold, like where is the heatin'?
Bando settings, a business meetin'
Hungry, still best know I been eatin'
They gotta pay me just for the greetin'
Got dark from early, like winter
These days keep it in the circle
Cah man just way too inner
She ask me about the sign I throw up
I told her "Bae, we winners", ayy

Fuck that girl you're chasing, that's a waste of time
Yo, fuck that, tired of waiting, just do him on sight
Too much ties, so much ties, I can get you slimed
Balenciaga head to toe, but I'm not a fashion guy
So much Chrome on me, the top came oversized
So much Chrome on me, the top came oversized

(ZEL, this shit crazy)
