

# You Don't Have to Cry

Nena

Just love, don't fight

You don't have to say you love me baby  
I don't have to cry  
Take your love and run away my baby  
I'm not gonna die

We think too much of love  
And lose more than we win  
Respect is what I want  
That way there is no sin  
I know my way right now  
I leave you lying there  
I'm okay my pretty baby  
And I don't  
I don't care

You don't have to say you love me baby  
I don't have to cry  
Take your love and run away my baby  
I'm not gonna die

Please take your time my love  
And do it like you feel  
Nobody can show you life  
And you know how to deal  
Never forget your roots man  
Nor the place you grow up  
If you hold that in your heart  
A better world is what we start

You don't have to say you love me baby  
I don't have to cry  
Take your love and run away my baby  
I'm not gonna die

Black and white is like day and night  
Just love  
Don't fight

You don't have to cry

You just have to say you love me  
You don't have to cry  
I heard you baby  
And you're free my dear  
I love you  
You can do what ever you want  
Just give me a kiss  
I still don't know  
Oh please  
I still love you my dear

Just love, don't fight  
Just love baby, don't fight
