This uniform don't fit me no more
They left me torn but I rose from the ashes
After the storm there's a rainbow, rainbow
Oh yeah, yay

And I really wanna know what you're hiding from me
Show me everything, what are you waiting for?

Let me see all your colors (ey-oh, ey-oh)
Let me see who you are afraid to be
Nothing is gonna stop us (ey-oh, ey-oh)
So show them all to me, let me see all your
Colors, colors, colors, colors

Don't hide yourself in the darkness, darkness
Like no one else, never like you're fearless
Oh, all of the flaws are a part of who you really are

And I really wanna know what you're hiding from me
Show me everything, what are you waiting for?

Let me see all your colors (ey-oh, ey-oh)

Let me see who you are afraid to be
Nothing is gonna stop us (ey-oh, ey-oh)
