## Neon Hitch

I'm talkin' bout you  
And the feelin' of us  
'Cause you got me all hot when it's really cold  
And you know we can't stop, when we on a roll

I just need to breathe  
I just need to smoke  
'Cause you got me all hot when it's really cold  
And you know we can't stop, when we on a roll  
I just need to...

Got me lifted, feelin' weightless  
Like I'm trippin'  
Give it up to me, give it up to me  
You, and the feelin' of us  
'Cause you got me all hot when it's really cold  
And you know we can't stop when we on a roll  
I just need to...

I don't need no E  
No I don't need no cocaine  
Got me feelin' way more faded  
Than I ever been baby  
I don't need no E  
No I don't need no liquor  
'Cause your body gets me high

Ecstasy-e-e  
When you're next to me-e-e

We ain't talkin' bout much  
'Cause we talkin' in tongues  
Tried the rubber, it popped, we like oh no  
I was on top, he was down low

Now what can I say?  
I'm an animal, eh  
We can make a jungle right here at home  
I can tell you bad when I see the bone, ow

Got me lifted, feelin' weightless  
Like I'm trippin'  
Give it up to me, give it up to me  
You, and the feelin' of us  
'Cause you got me all hot when it's really cold  
And you know we can't stop when we on a roll  
I just need to...

I don't need no E  
No I don't need no cocaine  
Got me feelin' way more faded  
Than I ever been baby  
I don't need no E  
No I don't need no liquor  
'Cause your body gets me high

Ecstasy-e-e

When you're next to me-e-e

Ay, ay, ay, ay

Ay, ay, ay, ay

I don't need no E

No I don't need no cocaine

Mmh I got your body here

That boy can't fuck with my flavor

You, and the feelin' like us

And we gettin' all hot when I gotta go

Gotta rush, I run but I gotta go

I'm feelin' all...

I don't need no E

No I don't need no cocaine

Mmh, I got your body here

That boy can't fuck with my flavor

You, and the feelin' like us

And we gettin' all hot when I gotta go

Gotta rush, I run but I gotta go

I'm feelin' all...

Yeah, yeah, yeah

Yeah, yeah, yeah

Oh when I gotta go, turn and rush

I know, and I gotta bolt

I'm feelin' like...

Yeah, yeah, yeah

Yeah, yeah, yeah

Oh when I gotta go, turn and rush

I know, and I gotta bolt
