

# I'm Different

Neon Hitch

My granddad was a real caveman  
My blood is Robin Hood but I feel Peter Pan  
So I get high whenever I can  
They said [?] so I know that I can

Cause some trouble sometimes, uh  
But you love me  
Just the way I am  
I'm different  
Well, not like the other girls  
Gone from another world, yeah  
We're different

Oh, oh [?]  
Said oh, oh  
Dad, let me get high

Dad was a real caveman  
[?] arrested to prove where I am  
[?] India  
A way to be but I'm only just knowing ya

Can't stop me  
I'm different  
I'm different
