

Intro

Neon Hitch

John Lennon
The beast is the warrior inside me
I grew up in a bus
My dreams, sometimes, seem more realistic than my real life
"Yo, you're a freak, you're from the freak show"
And I was like yeah, I actually am
I feel very strongly about helping children out
I do not want kids to feel alone
I just wanna be ****ing happy
Let's party
That's it
