

Light Touch

Neon Hitch

Sleeping outside with my hair in the grass
See a shadow in the sky though the night is pitch black
I feel your breath on my neck as you lay next to me
Glistening sweat, flowers on my body

'Cause I don't need your light touch, baby
If you love me, let me know you mean it
When you lay it on me, make me feel it
'Cause I don't need your light touch
All I need is a man that needs me
I just want the kind of love that feeds me
And if you're not the one then leave me
'Cause I don't need your light touch

Now it's just me and you howling at the moon
Like there's no one else around
Hearts are black and blue
Crowns of the dust
Tonight was a blast
But tell me was it real
Or was it just lust?

Cause I don't need your light touch
If you love me, let me know you need me
When you lay it on me, make me feel it
Cause I don't need your light touch
All I need is a man that needs me
I just want the kind of love that feeds me
And if you're not the one then leave me
Cause I don't need your light touch

Cause I don't need your light touch
If you love me, let me know you need me
When you lay it on me, make me feel it
Cause I don't need your light touch
All I need is a man that needs me
I just want the kind of love that feeds me
And if you're not the one then leave me
Cause I don't need your light touch
