

# Trouble

Neon Hitch

You can turn my vocal down, it's distorting a lot  
Too much thought is going into this process

Ooh, woo-ooh  
Turn my vocal down  
Ooh, woo-ooh-ooh-ooh  
Woo-ooh-ooh-ooh-ooh

No trouble  
Don't give me no trouble, trouble  
No trouble  
Don't give me no trouble  
No trouble

I'm [?]  
Like it was just yesterday  
I'm looking for that counter, yeah  
Looking for [?], ooh

Don't give me no trouble  
No trouble  
Don't give me no trouble, trouble  
No trouble  
Don't give me no trouble  
No trouble

[?] always texting like they cool  
But I know the truth  
It won't [?] with me  
I gotta let you loose

Want no trouble, no trouble  
No trouble  
I don't need no trouble  
No trouble  
No more trouble trouble, no trouble  
No trouble  
No trouble from you baby

I'm really am like feeling it's so quiet  
Baby, yeah  
I need Draus in here right now  
Where am I going now?  
What plan are we going to? I forgot

I've seen [?]  
But God, there's more than one more street  
Gotta let you know  
[?] let you know  
I don't [?]  
I got [?]  
Yes, you know  
Yes, you know, oh

I don't want about this

You just want my loving

Trouble  
All you is is trouble, trouble  
I don't want no trouble from you, you, you  
No more royal dough, yo

I don't need no trouble  
No trouble  
Don't want no trouble  
No trouble  
All you is is trouble  
No trouble  
Burst my bubble like pop
