Neon Hitch

Just take a sip now sip from my cup  
My love is so venomous  
I get weak baby when we touch  
But I can't I can't give you my love

No, no, no  
I can't give you my love

It's funny how it goes you get me unclothed  
But you ain't see my weakness  
And it's funny how when I don't give a fuck  
You beggin' on your knees

Fucking bullshit  
Gimme dat  
Don't ya waste my time  
Gimme dat

Always the same shit  
Quit wastin' my time  
Quit wastin' my time  
I'm fuckin' through with it  
Don't waste my time

Just gimme dat  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
I'm fuckin' through with it don't waste my time  
Just gimme dat yeah

I swear I should have said sorry  
I swear I should have not done it  
But baby here we are  
Now we standing out in the dark

It's funny how it goes you get me unclothed  
But you ain't see my weakness  
And it's funny how when I don't give a fuck  
You beggin' on your knees

Gimme dat  
Don't ya waste my time  
Gimme dat

Always the same shit  
Quit wastin' my time  
Quit wastin' time  
I'm fuckin' through with it  
Don't waste my time
