

## Heart: Decay

Neon Indian

Umm... I couldn't recall  
Whether you... had...  
Shut yourself away from  
The rest of the world  
In a world where  
It's his own world  
If it's not  
Then I feel like talking to you  
I have no idea what time it is where you are, but...  
I feel like talking to you  
I always call  
Umm...  
Isolation's much so much fun  
Keeping up with other people  
Anyway, I hope you're uh...  
I hope you feel good  
Okay, bye
