

# Holy Ghost

Neon Trees

Is this my modern romance?  
Our codependency dance?  
How long can we make that last  
With all that's stacked against us?  
You kept on makin' up the breakdown  
Give me somethin' to wash the pain down  
Got hooked and caught up in a new sound  
I can't keep goin' through this (Oh)

Now I'm calling you my holy ghost  
Disappearing when I need you most  
And I let you overthink when we got too close (Oh)  
Now I'm calling you my holy ghost  
Yeah, you're nowhere when I need you most  
Then I let you overthink, so you went rogue  
Where'd you go? (Oh)  
Where'd you go, my holy ghost? (Oh)

There's parts of me I think you know  
More than anyone at all  
I know it wasn't just for show  
So where does all the love go?  
Is this my modern romance?  
Our codependency dance?  
How long can we make that last?  
I'm high from weed and sadness (Oh)

Now I'm calling you my holy ghost  
Disappearing when I need you most  
And I let you overthink when we got too close (Oh)  
Now I'm calling you my holy ghost  
Yeah, you're nowhere when I need you most  
Then I let you overthink, so you went rogue  
Where'd you go? (Oh)  
Where'd you go, my holy ghost? (Oh)

There's parts of you I figured out  
From all the shit you said out loud  
Your spirit never left this house  
And now you follow me around  
You still follow me around (Oh)

Now I'm calling you my holy ghost  
Disappearing when I need you most  
And I let you overthink when we got too close (Oh)  
Now I'm calling you my holy ghost  
Yeah, you're nowhere when I need you most (Nowhere)  
Then I let you overthink, so you went rogue  
Where'd you go? (Oh)  
(La-la-la-la-la-la-la-la)  
Where'd you go, my holy ghost? (Oh)  
(La-la-la-la-la-la-la-la)  
Where'd you go, my holy ghost? (Oh)  
(La-la-la-la-la-la-la-la)  
Where'd you go, my holy ghost? (Oh)  
(La-la-la-la-la-la-la-la)
