Blå & Black

Nephew

I want to get a tattoo
With your name and then kill myself
Med blod og blæk står dit navn
Med blå og black i en sårskorp'

I want to crash on my bike
And cry for help and you help me
Med grus og blod står dit navn
I en asfaltflod som en showcase

Me and my pitiful neighbours, pitiful neighbours
Me and my pitiful neighbours
Burn, burn, oh Tattoo John just burn
Burn my tattoo, make me learn
Learn, oh Tattoo John just burn
Burn my tattoo burn

I want to crawl into photos
Of us in the summer
I grus og græs står vi sammen
På en legeplads med en ice cream

Me and my beautiful children, beautiful children
Me and my beautiful children
Burn, burn, oh Tattoo John just burn
Burn my tattoo, make me learn
Learn, oh Tattoo John just burn
Burn my tattoo burn

Burn, burn, oh Tattoo John just burn
Burn my tattoo, make me learn
Learn, oh Tattoo John just burn
Burn my tattoo burn
Burn
Burn

Me and my pitiful neighbours, pitiful neighbours
Me and my pitiful neighbours
Me and my pitiful neighbours, pitiful neighbours
Me and my pitiful neighbours
Pitiful neighbours
