

We Don't Need You Here

Nephew

Her kan du jo se
Hvordan det kan gå til
Jeg vasker i Zanussi

Fjer på mandag nat
Skid hul i mit stjerne-suit
Vi går og kommer sammen

Jeg rager op til solen
Den rager ned, så

We don't need you here
We don't need you here
We don't need you anywhere, so

Friday I'm in love
Fornemmelsen er i top
I sing but I sing slowly

Film skal ses hos os
Mit Anger und bier vom fass
We dream but we dream slowly

Jeg stiger op til solen
Den stiger ned, så

We don't need you here
We don't need you here
We don't need you anywhere, so
