

# Don't Let Go

NERIAH

Tell me what's the problem, baby?  
Lately I've been goin' crazy  
Don't know what to say  
Should I leave or stay?  
Oh, it's just a feelin', darlin'  
(Don't let go)

I thought by now you'd call me, maybe  
Gettin' close, my hands are shakin'  
There's no other way  
Nothin' here to waste  
Guess it's just a feelin', darlin'  
(Don't let go)

So, touch me, knock my feet right off the ground

And don't let go  
I wanna dance on the floor  
Don't let go  
Take my hand, give me more  
Don't let go  
I think I like it, so just hold me and don't let go  
I want you with me so promise you won't let go (Don't let go)  
Don't let go (Don't let go)  
Don't let go (Don't let go)  
Don't let go (Don't let go)  
Don't let go

I don't wanna be your maybe  
Tell me when your walls start cavin'  
Let me set the pace, call you up tonight  
Is it just a feelin', baby?  
(Don't let go)

So, touch me, knock my feet right off the ground

And don't let go  
I wanna dance on the floor  
Don't let go  
Take my hand, give me more  
Don't let go  
I think I like it, so just hold me and don't let go  
I want you with me so promise you won't let go (Don't let go)  
Don't let go (Don't let go)  
Don't let go (Don't let go)  
Don't let go (Don't let go)  
Don't let go

I think I love you in the moment, I think I might  
I think I love you in the moment, is that alright?  
I think I love you in the moment so don't let go

Don't let go  
I wanna dance on the floor  
Don't let go  
Take my hand, give me more  
Don't let go

I think I like it, so just hold me and don't let go  
I want you with me so promise you won't let go (Don't let go)  
Don't let go (Don't let go)  
Don't let go (Don't let go)  
Don't let go (Don't let go)  
Don't let go
