Mmm, mmm, mmm

Hello, old friend  
I wish you would've told me  
That you were gonna fuck me over  
Before we got so close

We'd be different when we're older  
And that you learn to live closer  
Thanks for leaving in October

Thanks for making me a loner  
Now my heart's a little colder  
Made me thankful for myself  
I don't need nobody else  
Thanks for making me a loner  
Thanks for making me a loner  
Now that I'm a little older  
The body, it was fine  
Please don't call me when you die  
Thanks for making me a loner

Loner, loner, loner, loner, loner  
And thanks for making me a loner  
Loner, loner, loner, loner  
Thanks for making

Goodbye, old friend  
I wish I never told you  
All my deepest secrets  
I guess I thought that you could keep them (Mmm)  
So long I'm sick  
It's time to take the trash out  
No more pictures when I walk out  
Thanks for being gone, gone, gone

Thanks for making me a loner  
Now my heart's a little colder  
Made me thankful for myself  
I don't need nobody else  
Thanks for making me a loner  
Thanks for making me a loner  
Now that I'm a little older  
The body, it was fine  
Please don't call me when you die  
Thanks for making me a

Thanks for making me a loner  
I'm so, I'm so, I'm so, I'm so alone  
Loner, loner, loner, loner  
Thanks for making me a loner
