

# Love U For Fun

NERIAH

Slow burn  
Speeding on sixty  
Wondering if you are gonna miss me  
I know that I won't

Your turn  
I'm done feeling guilty  
Last time that you'll ever kiss me  
Time to let me go

Oh, I  
Tried to  
Love what we had  
But you just  
Took it all back  
I know I know I know it's sad

Babe  
I need your help  
It's strange  
Oh can you tell  
I'm just out and a little too drunk  
And I think I called you a little too much

I hate  
Falling in love  
Too late  
You better run  
Before I freak out saying we're done  
I think this time  
I'll love you for fun

Wrong turn  
Who were we kidding  
Loved hard from beginning  
How it always goes

Back burned  
All of my feelings  
Too used to somebody leaving  
I thought you would hurt the most

Oh I  
Tried to  
Love what we had  
But you just  
Took it all back  
I know I know I know it's sad

Babe  
I need your help  
It's strange  
Oh can you tell  
I'm just out and a little too drunk  
And I think I called you a little too much

I hate

Falling in love  
Too late  
You better run  
Before I freak out saying we're done  
I think this time  
I'll love you for fun

Oh babe  
What if I get scared and run away  
Like okay  
2 years down the drain

Until you say  
What a waste  
I guess it all ends badly either way  
Call it fun and games

Babe  
I need your help  
It's strange  
Oh, can you tell  
I'm just out and a little too drunk  
And I think I called you a little too much

I hate  
Falling in love  
Too late  
You better run  
Before I freak out saying we're done  
I think this time I'll...

Babe  
I need your help  
It's strange  
Oh can you tell  
I'm just out and a little too drunk  
And I think I called you a little too much

I hate  
Falling in love  
Too late  
You better run  
Before I freak out saying we're done  
I think this time  
I'll love you for fun
