

Love U Less

NERIAH

I've been checking the corners lately
Guess no one was looking out for me
Nowhere to be seen

I've been working on being awful
Called my mom and went to therapy
I should be happy

But I can't stop thinking
My whole body was spinning
The moment I knew you'd be a problem
Why do I miss it?
We were just kidding
Swore I'd be moving on by now

If I could love you less then I would
Be burning every bridge for good
If I could love you less then I would
Yeah I would if I could

If I could love you less then I would
Be bottling the tears that it took
If I could love you less then I would
Yeah I would, oh I would

Now it feels like you just hate me
Are we gonna break up well maybe
'Cause any day I could see myself walking away

But I can't stop thinking
My whole body was spinning
The moment I knew you'd be a problem
Why do I miss it?
We were just kidding
Swore I'd be moving on by now

If I could love you less then I would
Be burning every bridge for good
If I could love you less then I would
Yeah I would if I could

If I could love you less then I would
Be bottling the tears that it took
If I could love you less then I would
Yeah I would, oh I would

If I could love you less then I would
Be bottling the tears that it took
If I could love you less then I would
Yeah I would, oh I would
