

Promise

NERIAH

Yeah

If you're gonna be out, wild and free

If you ever wanna run, call me

We gonna be alone

Pick a place, it won't take us long

When I'm with you, yeah, it feels like home

Nothing better in the wide, wide world

Promise me, if the world is ending

That you'd stay here with me

Close to me, next to me

Promise me, if the world is ending

That you'd stay here with me

Close to me, next to me

We went through every high and low

I want you, I can't let you go

My stomach's doing circles

Call me back, please do it fast, 'cause

We gotta be alone (Gotta be alone)

Pick a place, it won't take us long (Take us long)

When I'm with you and it feels like home (And it feels like home)

Nothing better in the world I want

Promise me, if the world is ending

That you'd stay here with me (With me)

Close to me, next to me

Promise me, if the world is ending

That you'd stay here with me

Close to me, next to me

Eyes closed, never alone (Never alone)

You are my home, I don't wanna go (I don't wanna go)

I love you (I love you), too good to part [?]

You won't be on your own

On your own, on your own

Promise me, if the world is ending

That you'd stay here with me (With me)

Close to me, next to me (Next to me)

Promise me, if the world is ending

That you'd stay here with me (Stay with me)

Close to me, next to me

Promise me, stay with me (Stay here with me)

Promise me, stay with me
