

# You Won't Forget About Me, Right?

NERIAH

I know I told you to go  
And I want you to be happy  
And she seems incredible  
But I hope not as special as me

17 hours, a dancing queen  
You were mine, mi-mi-mine  
Remedy, clarity  
Even when we said goodbye

You won't forget about me, right?  
Even though I'm out of your life  
You won't forget about me, right?  
Even if it's over sometime  
I know you'll move on and so will I  
Let's not let the good times die  
You won't forget about me, right?  
Right?

I saw you the other night  
But you were just a faded memory  
And it almost made me cry  
I wish you were here to remind me

17 hours, a dancing queen  
You were mine, mi-mi-mine  
Remedy, clarity  
Even when we said goodbye

You won't forget about me, right?  
Even though I'm out of your life  
You won't forget about me, right?  
Even if it's over sometime  
I know you'll move on and so will I  
Let's not let the good times die  
You won't forget about me, right?  
Right?

In a year or two or maybe three  
I hope you'll still have memories  
In a week or a month or next century  
I hope you still know me

You won't forget about me, right?  
Even though I'm out of your life  
You won't forget about me, right?  
Even if it's over sometime  
I know you'll move on and so will I  
Let's not let the good times die  
You won't forget about me, right?  
Right?
