

## Master Builder

Nerina Pallot

Master Builder  
There's a problem  
I dunno I think you made us wrong  
Need a factory reset  
Battery upgrade  
I dunno I think my wiring's gone  
And I can't go on no more

Oh I don't know where we're going  
But I know where I have been  
And I know what I have seen  
So I'm sacking off this scene  
Yeah they don't know what they're doing  
But the stupid people rule  
All the jokers and the fools  
Tryn' to tell us what to do

Master Builder  
U OK hun?  
Do you think your kingdom's ever gonna come?  
And if they made a movie  
Who would play ya?  
John Travolta or some other guy?  
It's a shame that Brando died -  
I lay that one on you

Oh I don't know where we're going  
But I know where I have been  
And I know what I have seen  
So I'm sacking off this scene  
Yeah they don't know what they're doing  
But the stupid people rule  
All the jokers and the fools  
Tryn' to tell us what to do

In the kingdom of the blind they say the one eyed man is king  
In the kingdom of the blind they say the one eyed man is king  
In the kingdom of the blind they say the one eyed man is king  
In the kingdom of the blind they say the one eyed man is king

Master Builder will your kingdom ever come?  
Master Builder will your kingdom ever come?  
Master Builder will your kingdom ever come?  
Master Builder will your kingdom ever come?
