

Peg

Nerina Pallot

I've seen your picture, your name in lights above it
This is your big debut, it's like a dream come true
So, won't you smile for the camera?
I know they're gonna love it

I like your pin shot, I keep it with your letter
Done up in blueprint blue, it sure looks good on you
And when you smile for the camera, I know I love you better

Peg, it will come back to you
Peg, it will come back to you
Then the shutter falls, you see it all in 3D
It's your favourite foreign movie

I like your pin shot, I keep it with the letter
Done up in blueprint blue, oh, it sure looks good on you
And when you smile for the camera, I know I love you better

Peg, it will come back to you
Peg, it will come back to you
Then the shutter falls (the shutter falls)
You see it all in 3D, it's your favourite foreign-
Peg, it will come back to you
Peg, it will come back to you
Then the shutter falls (the shutter falls)
You see it all in 3D, it's your favorite foreign movie

Yeah, yeah, yeah, yeah, yeah
Oh oh oh
Yeah yeah yeah
Yeah

Peg, it will come back to you
Peg, it will come back to you
Then the shutter falls (the shutter falls)
You see it all in 3D, it's your favourite foreign-
Peg, it will come back to you
Peg, it will come back to you
Then the shutter falls (the shutter falls)
You see it all in 3D, it's your favourite foreign movie, oh
