

# The Man with the Child in His Eyes

Nerina Pallot

I hear him, before I go to sleep  
And focus on the day that's been  
I realize he's there  
When I turn the light off and turn over  
Nobody knows about my man  
They think he's lost on some horizon  
And suddenly I find myself  
Listening to a man I've never known before  
Telling me about the sea  
All his love, 'til eternity

Ooh, he's here again  
The man with the child in his eyes  
Ooh, he's here again  
The man with the child in his eyes

He's very understanding  
And he's so aware of all my situations  
And when I stay up late  
He's always waiting, but I feel him hesitate  
Oh, I'm so worried about my love  
They say, "No, no, it won't last forever"  
And here I am again, my girl  
Wondering what on Earth I'm doing here  
Maybe he doesn't love me  
I just took a trip on my love for him

Ooh, he's here again  
The man with the child in his eyes  
Ooh, he's here again  
The man with the child in his eyes
