

# Thicker Than Blood

Nerina Pallot

O hey, hello there, sunshine, you're raining in my head  
So I'll just pull the covers over and go straight back to bed  
Yeah, I'm so motivated, but in reality  
I'll be drinking beer in my underwear at three-thirty  
In the afternoon. I watch the days go by too soon  
Got to rise above the push and shove  
Whatever gets you through

It's thicker than blood, stronger than love  
It's reason enough to keep on going  
It's thicker than blood, stronger than love  
And when I look at his face in the morning  
He's the reason I get up

Each New Year a resolution I'm going to do my best  
To be better, smarter fitter, faster; faster than the rest  
I've been watching all those serious people; seriously blue  
All busy doing busy things the way busy people do  
In the afternoon. They let their lives slip by too soon  
You got to rise above the push and shove  
You do what you got to do

Yeah, cos it's thicker than blood, it's stronger than love  
It's reason enough to keep on going  
It's thicker than blood, it's stronger than love  
When I look at his face in the morning  
He's the reason I get up when I don't want to  
I don't want to get up

Cos I ain't grand, and I ain't big  
But then I see his face and I want to live  
I'm gonna give it a go now  
Give it a go now  
Give it a go now  
Let's go!  
Let's go!

It's thicker than blood, stronger than love  
It's reason enough to keep on going  
It's thicker than blood, it's stronger than love  
When I look at his face in the morning I go:  
I can't get up, oh no

It's thicker than blood, stronger than love  
It's reason enough to keep on going  
It's thicker than blood, it's stronger than love  
When I look at his face in the morning  
He's the reason I get up
