

The Thrill

Nero

It's impossible to see
All the things we used to be
And it's impossible to say
Why I always feel this way

Yes I know it's not fair
But I don't know if I care
Yes I know it's not fair
But I don't know if I care

It's impossible to find
The feeling that we left behind
And it's impossible to stay
When you make me feel this way

Yes I know it's not fair
But I don't know if I care
Yes I know it's not fair
But I don't know if I care

Yes I know its not fair
It was lost in the air

Yes I know it's not fair
But I don't know if I care
Yes I know it's not fair
But I don't know if I care
