

Wasted

Nero

I don't know what I'm supposed to do
'Cause you are with somebody else
And you wasted my time
And gave me something that was never mine

I don't know what I'm supposed to say
And these words don't come easily
You wasted my time
And gave me something that was never mine

I don't know what I'm supposed to say
If these words don't come easily
And you wasted my time
These words don't come easily

I don't know what I'm supposed to do
'Cause you are with somebody else
And you wasted my time
And gave me something that was never mine

I don't know what I'm supposed to say
And these words don't come easily
And you wasted my time
These words don't come easily

I don't know what I'm supposed to do
