

Now my nails and my nail beds are suffering the cost

I tried to paint my nails but my patience didn't last  
I went to check the mail and I smudged them as I passed  
All the bushes busting outside, they really need a trim  
I guess that it's about time, such an inconvenience

So upstairs I ran and sat down to take my polish off  
But as I'm looking around I realize what I forgot  
The mail from the mailman is still inside the box  
And my nails and my nail beds are suffering the cost

Ooh, tu-tu-tu, mmh, la-la-la-la-la  
Ooh, tu-tu-tu, mmh, la-la-la-la-la  
Ooh, tu-tu-tu, mmh, la-la-la-la-la  
Now my nails and my nail beds are suffering the cost

Now I'm being lazy and I'm gonna leave them blank  
I know they'll drive me crazy, my impatience is to blame  
And not I'm red with envy seeing others down the street  
Looking very trendy with their nails painted neat

So upstairs I ran and sat down to take my polish off  
But as I'm looking around I realize what I forgot  
The mail from the mailman is still inside the box  
And my nails and my nail beds are suffering the cost
