

# Come Dance

NERVO

Come dance  
Come dance

Let me be your fantasy  
(Come dance)  
Release your body move with me  
(Come dance)  
Right here is where I wanna be  
(Come dance)  
Dance with me

Let me be your fantasy  
(Come dance)  
Release your body move with me  
(Come dance)  
Right here is where I wanna be  
(Come dance)  
Come dance with me  
Dance with me

Let me be your fantasy  
(Come dance)  
Release your body move with me  
(Come dance)  
Right here is where I wanna be  
(Come dance)  
Come dance with me  
Dance with me

Underneath the neon lights  
Let me open up your mind  
In the silence you can't hide  
Waking up those ghosts tonight

Come dance with me

Ooh

Come dance  
Dance with me

Come dance  
Come dance  
Come dance  
Come dance with me  
Come dance with me  
Let me be your fantasy  
(Come dance)  
Release your body move with me  
(Come dance)  
Right here is where I wanna be  
(Come dance)  
Come dance with me  
Dance with me
