

I remember when
I remember, I remember when I lost my mind
There was something so pleasant about that place
Even your emotions have an echo, in so much space, mmm
And when you're out there without care
Yeah, I was out of touch
But it wasn't because I didn't know enough, yeah
I just knew too much

Does that make me crazy?
Does that make me crazy?
Does that make me crazy?
Does that make me crazy?

And I hope that you are having the time of your life
But you better think twice, that's my only advice
Come on now, who do you
Who do you, who do you, who do you think you are?
Ha, ha, ha, bless your soul
You really think you're in control?

Well, I think you're crazy
I think you're crazy

My heroes had the heart to lose their lives out on the limb
And all I remember is thinkin' I wanna be like them, ooh
Ever since I was little
Ever since I was little, it looked like fun
And it's no coincidence I've come
And I can die when I'm done

And maybe we're crazy
Yeah maybe we're crazy
Probably

Does that make me crazy?
Does that make me crazy?
Crazy
