

Illusion

NERVO

Illusion, you're so hard to see
Make it hard to breathe, you're my illusion
Illusion, got me searching high
And no, I can't deny, you're my illusion

Didn't think too much about it
Didn't wanna stress about it
But I can't believe that it was nothing to you
Was it in my mind? Was it,
In another time could it
Have left you thinking it was something

Illusion, you're so hard to see
Make it hard to breathe, you're my illusion
Illusion, got me searching high
No, I can't deny, you're my illusion
Illusion

Are you playing tricks on me?
Yes, you got a fix on me
I don't know how I'm meant to give you up, no
Did you ever care, did you?
Was it ever there for you?
Don't let me go, don't let me wake up

'Cause I don't know what this is
Illusion

Illusion, you're so hard to see
Make it hard to breathe, you're my illusion
Illusion, got me searching high
No, I can't deny, you're my illusion
Illusion

'Cause I don't know what this is
Illusion

Illusion, you're so hard to see
Make it hard to breathe, you're my illusion
Illusion, got me searching high
No, I can't deny, you're my illusion
