

Sunshine Thru Rain Clouds

NERVO

All the people come together,
Thru sunshine and rain clouds,
Here we go!

Sunshine thru rain clouds
Takes me away to a place
I'd rather be with you
Sunshine thru rain clouds
Takes me away to a place
I'd rather be with you

Sunshine!

Sunshine thru rain clouds
Takes me away to a place
I'd rather be with you
Sunshine thru rain clouds
Takes me away to a place
I'd rather be with you

Take away the rain, oh
Take away the rain, oh

Sunshine!
