

Talk About Us

NERVO

Everybody
Come on lose your body
Get up on your feet
We don't need no sleep
Everybody
Come on lose your body
Get up on your feet
We don't need no sleep

I wanna talk about us
I wanna talk about everything
Gonna cruise to the beat
Let your soul be free
[?] and knees
Keep it moving [?]

I wanna talk about us
I wanna talk about everything
I wanna talk about us
I wanna talk about us
I wanna talk about everything
I wanna talk about us

I wanna talk about us
I wanna talk about
I wanna talk about us
I wanna talk about
I wanna talk about
I wanna talk about us

Everybody
Come on lose your body
Get up on your feet
We don't need no sleep
