Worlds Collide

NERVO

(Whoa-oh-oh-oh-oh
Whoa-oh-oh-oh-oh
Whoa-oh-oh-oh-oh
Whoa-oh-oh-oh-oh)

There's a star, there's an in
An in between, what are we doing?
Killing time, or joining in
(Whoa-oh-oh-oh-oh)
There's a hit, there's a miss
And right now who am I fooling?
I can't fight what's happening

Worlds collide, bringing us together
Never felt so right, never felt so right
Stars combine, I can see forever
This is you and I, this is you and I
Like a ray of light blinded by the meaning
But I cannot fight, no I cannot fight
'Cause worlds collide, bringing us together
Never felt so right

It doesn't stop, it doesn't end
'Cause there's a fire that keeps on burning
This is it, I can't pretend
'Cause it's you and now it's me
We're at the point of no returning
'Cause we are one, we are complete

Worlds collide, bringing us together
Never felt so right, never felt so right
Stars combine, I can see forever
This is you and I, this is you and I
Like a ray of light blinded by the meaning
But I cannot fight, no I cannot fight
'Cause worlds collide, bringing us together
Never felt so right

It never felt so right
(Whoa-oh-oh-oh-oh)
Worlds collide
(Whoa-oh-oh-oh-oh)
Stars combine

This is you and I
Like a ray of light blinded by the meaning
But I cannot fight, no I cannot fight
'Cause worlds collide, bringing us together
Never felt so right
