

You're Not Alone

NERVO

In a way, it's all a matter of time
I will not worry for you, you'll be just fine
Take my thoughts with you and when you look behind
You will surely see a face that you recognise

You're not alone
I'll wait 'til the end of time
Open your mind
Surely it's plain to see
You're not alone
I'll wait 'til the end of time for you
Open your mind
Surely there's time to be with me

You're not alone

It is the distance that makes life a little hard
Two minds that once were close, now so many miles apart
I will not falter though, I'll hold on 'til you're home
Safely back where you belong and see how our love has grown

You're not alone
I'll wait 'til the end of time
Open your mind
Surely it's plain to see
You're not alone
I'll wait 'til the end of time for you
Open your mind
Baby, there's time for me and you

You're not alone, no
You're not alone, no

You're not alone (you're not alone)
I'll wait 'til the end of time
Open your mind (open your mind)
Surely it's plain to see
You're not alone (you're not alone)
I'll wait 'til the end of time for you
Open your mind (open your mind)
Surely there's time to be with me
