

# Kill Or Die

Nervosa

Riding on my bike  
Through the city at night  
And I feel alive  
On the road

I'm free from the chains  
Of the daily grind  
It's a jungle out there  
I'm ready to fight

Kill or die  
Kill or die  
Kill or die in the streets

I'm free from the chains  
Of the daily grind  
It's a jungle out there  
I'm ready to fight

Kill or die  
Kill or die  
Kill or die in the streets

Running at the speed of light  
Make it alive  
Till the end of the night  
Till the end of the night

Get rid of the chains  
No slave to the grind  
Kindred spirits  
On the highway of life

A promise you make  
Choices you take  
To be who you are

Not living to die  
Living to kill

Be who you are
