

# Kill the Silence

Nervosa

Suffering alone  
Crying in the dark  
It's what he's done  
And you want him to die

Don't be afraid  
Don't feel dirty  
You have the power  
Just scream out louder

Kill the silence!

No revenge  
But punishment

Violating your honor  
Bringing loathe and shame  
Mental disorder  
You are not to blame

Don't lose your hope  
Don't lose your strength  
You are not alone  
Just break this dome

Kill the silence!

No ruth  
Speak the truth

You're not alone  
You're not alone  
You're not alone  
Kill the silence!
