

Nail The Coffin

Nervosa

Walking on a tightrope
Back against the wall
Trying to hold on
Still fightin'

For survival
For reprisal

Holding on to hope
Just a fading dream

Dig the grave
Nail the coffin
Building hell
Revenge makes you blind
Die with dignity, atrocity!
I nailed the coffin!

Got nothing left to gain
My fate is sealed

Eye for an eye
Can revenge pay the price?
The value of the loss
Leaves a non-healed scar

Incurable remorse
Is the right to demand

Holding on to hope
Just a fading dream

Dig the grave
Nail the coffin
Building hell
Revenge makes you blind
Die with dignity, atrocity!
I nailed the coffin!

Nailed the coffin!
