

Smashing Heads

Nervosa

The agony of remorse
Melting in your blood
Poisoning the mind

Illusion of relief
Grudge
Rotten memories
Tortured by grief
Prison of self
Torment and guilt

Smashing heads
Looking for a dirty reason
In the room of regret
Full of nothing
Smashing heads

Walking on the edge
Watch out!
You can end up in the grave

Go into the darkness
Maze of Hell
No way out
Madness

Poisoning the mind

Illusion of relief
Grudge
Rotten memories
Tortured by grief
Prison of self
Torment and guilt

Smashing heads
Looking for a dirty reason
In the room of regret
Full of nothing
Smashing heads
