

Suffocare

Nervosa

Hugs of domination
Distracting to control sight
When reasons are made by tears
Embrace your sorrow

Feeding fear
Consuming courage
Building a cell
For protection

Blinding all reason
Intentions awry
Toxic connection
To feel the might

Do as I say
But not as I do
Care is the excuse
Love is a tool

How far can it go?
How close can it be?
Soothing words
To feel at home

How far can it go?
How close can it be?
Soothing words
To feel at home

Protection
Oppression
Disguised
The key is isolation

Redeem the frustration
To stride
The path to demise

Tears
Sick love
Protection
Suffocare

Control
Pressure
Deterrent
Suffocare

Do as I say
But not as I do
Care is the excuse
Love is the tool

How far can it go?
How close can it be?
Soothing words

To feel at home

How far can it go?
How close can it be?
Soothing words
To feel at home

Manipulation
Determined
To suffocate

Oppressors
Never show the real face
