Building faces
Planning phrases

Build your act
Shady facts
Solid fraudster

Using intelligence to manipulate
Gentle killer
Cynic in disguise

Slowly day by day
Piece by piece
When the truth is a lie
You convince

Oscar worthy
Master of deceit
Fixation on intimidation

Slowly day by day
Piece by piece
When the truth is a lie
You convince

The lie is a truth
Revelations come with time
See your victims coming out
One by one

Punishment
Just wait for that
