

## lucky star

Nessa Barrett

Waiting 'till heavens on my side  
So I can sleep at night  
The angels will protect me  
Praying on a lucky star  
For you to save my heart  
But it just kept on breaking

Ooh-ooh-ooh  
Where did I go?  
Is half of a home  
Just half of a home?  
Ooh-ooh-ooh  
Who am I now?  
I can't control  
My decaying soul
