I want sex, lies, ugly truth
Sex, lies, ugly truth
Sex, lies, ugly truth
Wanna do it all with you
I want sex, lies, ugly truth
Sex, lies, ugly truth
Sex, lies, ugly truth
Wanna be a slut for you

Cross my heart, I'll cross my legs
Oh, we're not down, I better pray
I want the high, I want the rush
Don't call it love, it's not enough

I want sex, lies, ugly truth
Sex, lies, ugly truth
Sex, lies, ugly truth
Wanna do it all with you
I want sex, lies, ugly truth
Sex, lies, ugly truth
Sex, lies, ugly truth
Wanna be a slut for you

I'd kill for you, I'd lie and steal
I swear to God that's how I feel
So pull my hair, and call me names
I don't care, I'm not ashamed

I want sex, lies, ugly truth
Sex, lies, ugly truth
Sex, lies, ugly truth
Wanna do it all with you
I want sex, lies, ugly truth
Sex, lies, ugly truth
Sex, lies, ugly truth
Wanna be a slut for you

Slut, slut, slut, slut
Slut, slut, slut
Slut, slut, slut, slut
Wanna do it all with you
Slut, slut, slut, slut
Slut, slut, slut
Slut, slut, slut, slut
Wanna be a slut for you
