Another eight
Another eight in a 2 liter
Nothing but tens in my two seater
Nothing but tens in my two seater
My two seater

Jumped in
Jumped in
Jumped in
Jumped in
Jumped in

Jumped in the crowd and I died, dead
All my money blue
Medicine is red
Made my first million then I made another one like Jetson
And I'm cheating on my wife it's me and my Smith and Wesson

Another eight

Nothing but tens in my two seater
Nothing but tens in my two seater
My two seater

Ripping past the leather trying to get to skin
Two white hoes in Paris fed them mescaline
