

## Back Again

Nessly

Late night leave the ringer on imma pull up wicha, yeah  
Late night leave the ringer on imma ring your bell

Traffic getting way too congested, 40 over the limit I might get arrested

Ness and boombox back again, put your album in the trash again  
Leave your ringer on imma scoop your ass up like Baskin Robbins  
Whatchu want from the gas station baby, made a stop for condoms  
Text me 2 pink bubble gum vapes, 2 bitches walking all on 8's  
Put a tab on her tongue, pink Xans like tums on her gums going out of space

That's why I'm telling you...

Walk

That's why I'm telling you to
