We fly high, no lie, you know this

I just wanted to ball with you  
Really wanted to ball with you, yeah (Swish)  
But now I gotta ball on you (Ballin', yeah)

Princess cut diamonds on your boy  
Damn it hurts my heart to watch you starve  
Got a bad bitch wrapped around my arm  
Could've been you in a foreign with me like prom  
You said how bad you want it, bought it for my new bitch  
You was patient, mmh, girl, you would've been too lit  
Ice on my chain chillin', spoke it into fruitions  
I paid my tithes when I bought it, bitch, some new Christians  
You ain't show up to my shows but wan' spend my show money  
Bitch, better change your Instagram bio to a GoFundMe  
I tried to give you love, you want the bag and you sold on me  
I ran it up, I put it all on you, but I could never call on you

I just wanted to ball with you  
Really wanted to ball with you, yeah (Swish)  
But now I gotta ball on you (Ballin', yeah)  
Now I gotta ball on you (Damn)  
Now I gotta ball on you  
But really wanted to ball with you (Ballin')  
Now I gotta ball on you

The coupe was for me and you  
It only seats two  
I caught her when I bought a crib  
I just didn't even buy a view

How many Louis bags for your love?  
How much Chanel for your love? (Yeah)  
Bitch tryna fuck the swag, I mean, fuck the lingo up  
These bad bitches a gateway drug  
Fucked my first bad bitch, thought I had good luck  
Fucked my second bad bitch, more good luck  
Fucked my third bad bitch, damn, these hoes think that I'm a plug  
Too many personal questions, thought she tapped my phone with a bug  
You gon' make me get revenge, ayy, fuck your friends, ayy  
You know I beat that pussy up, ayy, like self defense, ayy  
I make these niggas look like Sims, ayy, I set the trend, ayy  
Bitches gettin' pissed on, ayy, to get the rent paid, yeah

I just wanted to ball with you  
Really wanted to ball with you, yeah (Swish)  
But now I gotta ball on you (Ballin', yeah)  
Now I gotta ball on you (Damn)  
Now I gotta ball on you  
But really wanted to ball with you (Ballin')  
Now I gotta ball on you
