

## Bungee Jump! (Interlude)

Nessly

Yeah, ah, ayy, ayy

I'm about to jump, ooh  
I'm about to jump, ooh, ayy, ayy, ayy  
I'm about to drop, drown, fall, ooh (ooh)

She want a ring but we ain't playin' Sonic  
So exotic, keep my veins throbbin'  
Even my thick bitch rock Balenciaga like it's Lane Bryant (ooh)  
Zombies on the block, late night  
Vomit on your block, they be throwin' up gang signs  
Cellulite on her back end, just a tiger stripe  
I got a budget, when I want to fuck her I look up her booking price  
Take the spaceship out the dungeon  
Falling face first in the money  
I cut myself off of the bungee

I'm about to jump, ooh  
I'm about to jump, ooh, ayy, ayy, ayy  
I'm about to drop, drown, fall, ooh (ooh)  
I'm about to drop, drown, fall, ooh (ooh)
