Convinced that, you only love me for my ice
What makes you different, bitches lie and put it on they life
Can't maintain relations like I maintain all my diamonds
I ain't got much time, just enjoy the time

Sorry, darling, call me, dial me
You're my barbie, girl don't get overexcited
Sorry, darling, call me, dial me
You're my barbie

I can't always answer all the time
You gon' be okay, just be brave, yeah
I dress it up and make it look nice
This gon' be the one time you should trust me, yeah
I can't always answer all the time
You gon' be okay, just be brave, yeah
I dress it up and make it look nice
This gon' be the one time you should trust me, yeah

They gon' call you cocky
First they call it lame and then they copy
Ooh the way I'm flexing, all my pockets are 'bout they body
The way your bitches need body work, they a Maserati
Ooh she so bad, bet she got problems, I'ma pass her probably

Sorry, darling, call me, dial me
You're my barbie, girl don't get overexcited
Sorry, darling, call me, dial me

I can't always answer all the time
You gon' be okay, just be brave, yeah
I dress it up and make it look nice
