

County Fair

Nessly

Girl, we got love like the '90s
Lick on her ice cream
Switch to a time and take flight
Moonlight looks lovely
Promise you'll love me
If you let me inside tonight
Drugs in our drum sets
Take me to sunset
Don't turn me down
If you want me to stay then I can
Let's search and wander back to my side of town (Yeah)

Yeah, yeah
Yeah, yeah
Yeah, yeah
Yeah, yeah

Yeah
Let's make a memory tonight
Let's feel everything nice
We can go up and down
Don't look down if you're afraid of heights
Take me to Heaven and save my life
Hold my hand, they was synchronized
If you're nervous, we can switch rides
I can feel it k-k-kicking in like a baby
Are you okay?
I can feel it, I feel it, make you feel it now
I can feel it k-k-kicking in like a baby
I can feel it now, do you feel yours now?
