Nessly

Nessly, and ZayTiggy yeah  
Nessly, and ZayTiggy yeah

Freak ho, keep my address on the low  
I don't trust her and I put that on my soul  
She the reason I keep plastic on my sofa  
I keep the stick inside a safe behind a poster  
Yeah, rock band, I'ma buy a rock band  
I'm rockin' Raf Simmons bitch, I ain't Gene Simmons bitch  
Uh, all these hoes want to give me a kiss  
I don't trust a motherfuckin' soul, I keep my shit long distance  
Main bitch live in the past, main bitch live in the past  
Your main bitch live with her parents, man that bitch so embarrassin'  
Picked her up from her college, red Ferrari like Ferris  
I claimed your bitch on my taxes, the lil bitch like a charity

You gave her a ring but she wanna marry me  
She wanna sing, told her come sign to me  
A box of Fergie, and a lot of codeine  
Whole lotta lean, whole lotta lean, whole lotta lean  
All this cash will fuck up your lil self esteem  
You would get on one knee for that bitch, she get on two for me  
Leave the dealer, two Ferrari's like it's buy one get one free  
Copped two, I ball like Lonzo, on Rodeo shooting threes

Yeah, ball like I ain't got no bills, nah for real  
I ball like I ain't got no bills, nah for real  
Nah for real  
Lonzo Ball!  
Like Lonzo Ball  
Big Ball, yeah, ayy

Committing sins, I kill them down in Saint Laurent  
Since I was young I flipped that dough like Papa John's, yeah, yeah  
Red marinara Maserati on my way to Panera Bread  
I don't do no dodge ball in gym class but I'm dodging feds  
Put the seat back in the Porsche Panamera, look like an ostrich bed  
Made a good girl to a bad bitch, all she took was one percocet  
Private chef in the crib, privates in your bitch mouth  
Bitch say she wanna see a hundred grand, I'ma go and stick my wrist out  
Two bitches, one coming, one leaving, I'ma let these hoes switch out  
Four bands on a Moncler, all this ice made 'em think it's brick out  
Whole lotta lean, whole lotta lean, like I signed to Swishahouse  
Fucked a rich bitch, she told me pick somethin' out  
If she don't come with benefits, I'ma come then dip  
Bitch I'm petty and I'm pretty, I'ma fuck her friend

You gave her a ring but she wanna marry me  
She wanna sing, told her come sign to me  
A box of Fergie, and a lot of codeine  
Whole lotta lean, whole lotta lean, whole lotta lean  
All this cash will fuck up your lil self esteem  
You get on one knee for that bitch, she get on two for me  
Leave the dealer, two Ferrari's like it's buy one get one free  
Copped two, I ball like Lonzo, on Rodeo shooting threes
